"And so the child who dreamed tomorrow now is twenty,
And though his dreams have lost some grandeur coming true,
There'll be new dreams, maybe better dreams, and plenty,
Before that last revolving year is through."

"And the seasons, they go 'round and 'round,
Painted ponies go up and down,
We're captive on the carousel of time,
We can't return, we can only look
Behind from where we came,
And go 'round and 'round in the circle game."

We wish to express our appreciation to the merchants, businessmen, and professional people who have so generously contributed to the success of our yearbook.
